

Alabama Chapter Members:

Our next chapter meeting will be held on Tuesday, July 20, 2010 at the **Inverness Country Club.**

Door Prize: Cudde Back game trail camera

Board Meeting	5:00 – 6:00
Cocktails	5:30 – 6:30
Dinner & Programs	6:30 – 9:00

We have a two part program about brown bear hunting in Russia. **Jack Bradford** will do the first part of the program and **Dr. Wallace “Wally” Kirkpatrick** will do the second part. Both men did the same trip, meeting briefly as Jack was coming out and Wally was going in. They stayed at the same camp and hunted with the same guides and ate the food from the same cook and were served by the same translator, but had markedly different trips. The contrast will be interesting if not a bit wild.

Jonathan Lehr will present us with a program filled with diversity. Jonathan will tell us the basics of bow fishing and grabbling as well as the particulars of his trip to New Zealand where he shot a possible number 2 Arapawa Ram, a 13 ½ inch bull tahr and his wife shot a 320 inch plus red stag. In addition, he will tell us about vacationing in Queenstown.
